

SPOT CHECK

A single review of the open record.

For people who want a one-time read before deciding whether to engage on a continuous basis. Six to ten working days. Written summary delivered.

GBP 299 once

What Is Included

Open-Record Read

A working-week deep read of the open record on the principal.

Wealth-Side Quick Read

A first pass on the institutions named by the principal: stress signals, regulatory action, and material disclosures.

Written Summary

A single document delivered at the close, listing what was found, what was cleaned, and what is recommended.

Thirty-Minute Debrief

A video call to walk through the document and answer questions.
