Everything In Cover, plus

### Real-Time Monitoring

By-the-second reads across every layer the firm covers.

### Urgent Voice Escalation

When a critical event surfaces, the firm reaches the principal on a voice line. Same-hour answer, day or night.

Anonymous Operation

### Verified Callback Line

Anonymous engagement supported via a number we ring, not a name. Structure-registered or burner.

### Out-Of-Band Verification

Voice instructions verified through a second channel agreed in writing during onboarding.

Travel And Household

### Pre-Travel Briefings

On request before any trip flagged. The firm reads against the city, the route, and the residences.

### Household Coverage

Coverage extends to named household staff and named long-stay visitors.

### Crisis Protocol On File

Documented and tested twice a year.
